

## Class Participation

Do I have to come to class? Of course you do. How do you expect to get the information?

Teachers usually go over most material once, so if you miss it, you miss it. You may as well come to class. Don't you have to go to work everyday? If you're not working, don't people with jobs go to work everyday? You get the point.

- Attend every class.
- Come to class prepared.
- Be alert & attentive.
- Participate in class discussions.
- Ask questions when you don't understand.
- Get help in the Learning Success Center or ask a classmate.
- Ask your teachers for help. They don't bite!
- When you must miss a class, find out what you missed & make up the work.
